³ This final election of Asserted Prior Art is separate from and in addition to the patent claimant's final pre-trial election of Asserted Prior Art as required by the Docket Control Order, which is set to occur 7 days before jury selection. (Dkt. No. 87 at 1.)

and prior art references must demonstrate good cause warranting the modification. Motions to modify other portions of this Order are committed to the sound discretion of the Court.⁴

⁴ This Order contemplates that the parties and the Court may further narrow the issues during pretrial proceedings in order to present a manageable case at trial.
